## RESOLUTION

1     *Resolved*, That in holding hearings, reporting such  
2     hearings, and making investigations as authorized by section  
3     134 of the Legislative Reorganization Act of 1946, and in  
4     accordance with its jurisdiction under rule XXV of the  
5     Standing Rules of the Senate, the Committee on Government  
6     Operations, or any subcommittee thereof, is authorized, from  
7     February 1, 1967, through January 31, 1968, to make  
8     studies as to the efficiency and economy of operations of all  
9     branches and functions of the Government with particular  
10    reference to:

1           (1) the operations of research and development  
2           programs financed by departments and agencies of the  
3           Federal Government, including research in such fields as  
4           economics and social science, as well as basic science,  
5           biomedicine, research, and technology;

6           (2) review those programs now being carried out  
7           through contracts with higher educational institutions  
8           and private organizations, corporations, and individuals  
9           to determine the need for the establishment of national  
10          research, development, and manpower policies and pro-  
11          grams, in order to bring about Government-wide  
12          coordination and elimination of overlapping and dupli-  
13          cation of scientific and research activities; and

14          (3) examine existing research information opera-  
15          tions, the impact of Federal research and development  
16          programs on the economy and on institutions of higher  
17          learning, and to recommend the establishment of pro-  
18          grams to insure a more equitable distribution of research  
19          and development contracts among such institutions and  
20          among the States.

21          SEC. 2. For the purposes of this resolution, the com-  
22          mittee, from February 1, 1967, to January 31, 1968, inclu-  
23          sive, is authorized—

24                (1) to make such expenditures as it deems ad-  
25                visable;

1           (2) to employ upon a temporary basis and fix the  
2       compensation of technical, clerical, and other assistants  
3       and consultants: *Provided*, That the minority of the  
4       committee is authorized at its discretion to select one  
5       employee for appointment, and the person so selected  
6       shall be appointed and his compensation shall be so fixed  
7       that his gross rate shall not be less by more than \$2,300  
8       than the highest gross rate paid to any other employee;  
9       and

10          (3) with the prior consent of the head of the de-  
11       partment of agency concerned, and the Committee on  
12       Rules and Administration, to utilize on a reimbursable  
13       basis the services, information, facilities, and personnel  
14       of any department or agency of the Government.

15       SEC. 3. Expenses of the committee under this resolu-  
16       tion, which shall not exceed \$75,000 shall be paid from the  
17       contingent fund of the Senate upon vouchers approved by  
18       the chairman of the committee.
